A new listing of claims 1-26 is provided. No amendments are made.

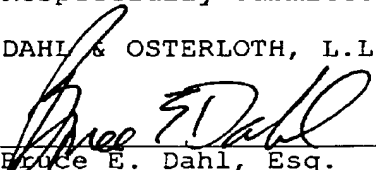

A new listing of claims 1-26 is provided which accurately reflects the amendments made to the claims in the two previous preliminary amendments, filed January 5, 2004, and March 22, 2004. More specifically, the listing of the claims in the second preliminary amendment, filed March 22, 2004, did not accurately reflect the amendments contained in the first preliminary amendment, filed January 5, 2004.

The undersigned counsel discussed this issue with the examiner by telephone on August 28, 2006, and again on August 31, 2006. The examiner requested applicants to file a new listing of claims which accurately reflect the amendments of January 5, and March 22, 2004.

If there are any questions with respect to this new listing of claims, the examiner is requested to contact the applicants' attorney at the telephone number listed below

Respectfully submitted,

DAHL & OSTERLOTH, L.L.P.
